RJ45 KEYSTONE DUST CAP BLACK

DESCRIPTION

barpa's RJ45 Keystone Dust Cap is designed to protect any standard RJ45 jack from dust and debris when not in use. It ensures reliability by preventing network errors and potential downtime caused by unused jacks. Compatible with all RJ45 jack modules, its simple push-in design allows easy installation and removal, keeping your network equipment clean and secure.

APPLICABLE STANDARDS

- Directive 2011/65/EU (RoHS)
