

PRODUCT DESCRIPTION

- Splice tray accommodates up to 12 mechanical splices. The tray's unique design allows it to be removed without disturbing previously spliced fibers, providing more flexibility to additional splices.

• FEATURES

Material	ABS
Color	White
Dimensions (mm)	155x92x11
Number of Splices per Cassete	12
Heat-Shrink Fusion Splice Protectors (mm)	45 and 60
Weight (kg)	0,061
